Sir,

I have the honor to state that the Government in their order No 1970-1, dated 26th March 1903, sanctioned an estimate for Rs 664-4-6- for the construction of the Ganapati temple at Javali in the Mudigere Taluk. In the course of the progress of the work, however, it appeared that the amount was not sufficient for the purpose in question, and Mr. Javali Ganesh Rao represented to me that the item of work now included in the present estimate for Rs 309/- had been lost sight of when the original estimate was got up, and that the same is necessary, to keep the building in sound order. For this purpose, he solicits sanction to a sum of Rs 309/- from Government promising to contribute the balance required for completion.

2. During my recent tour in the Mudigere Taluk, I took the opportunity of personally inspecting the construction and found that the work further estimated for is absolutely necessary. Considering the importance of the shrine in that locality and the contribution promised by Mr Sawak Rao, I request that you will be so good as to obtain sanction of Government to the grant of Rs 200/- the cost of the Supplemental Estimate being Rs 309/-

3. I may observe that if the additional work is not carried out before the monsoon sets in, there will be considerable damage caused to the recently built mantap and it will become quite unserviceable

4 The Vernacular papers ending with the Mudigere Amildar's report No 1313 dated 3rd March'06, containing the supplemental Estimate in question are herewith submitted for favor of reference and obliging return.

Sir,

In accordance with the G.O. No 4736-7 dated 14th April 1906 sanctioning Rs 309/- towards the cost of supplemental estimate to complete the work of Hemavate Ganapati temple at Javali in the Mudgere Taluk, I have the honor to forward herewith the completion bill for Rs 309/- received with the Amildar's report No 2178 dated 18th June 1906. In the matter of recovering Rs 109/- being the promised contribution of Mr Javali Ganesh Rao, I beg to state that he only agreed to bear the entire cost of the estimate over and above Rs 200/- by the execution of work for the same instead of money contribution which by oversight was originally reported. It is reported by the Amildar that work valued at Rs 359/- (being Rs 59/- in excess of the original estimate) has been turned out satisfactorily by Mr Ganesh Rao. Under these circumstances, I beg to request that the work executed by Mr Ganesh Rao to the extent of Rs 159/- may be accepted in lieu of the money contribution of Rs 109/- ordered in reference under reply and the completion be countersigned for Rs 200/- only and
